INVITATION TO SPONSOR
the
2nd International Conference on Surfaces,
Coatings and Nanostructured Materials

NanoSMat 2007

Dear Industrial Associate,

The International Conference on Surfaces, Coatings and Nanostructured Materials, NanoSMat, will take place during 9-11 July 2007 at the “Hotel Pestana Alvor Beach” in Algarve, Portugal. Some of the key features of this special event include the following:

1. Keynotes:

There will be three keynote speakers:

- Nobel Laureate Professor Sir H. W. Kroto (USA)
- Professor Stan Veprek (Germany)
- Professor Jeff- De Hosson (Netherlands)

2. Invited lectures:

There will be a host of internationally known speakers talking about various aspects of nano-related cutting edge research. On confirmation, names of invited speakers will be added to the conference website.

3. Exhibition

Similar to NanoSMat2005, there will be a exhibition during the conference days.

4. Short courses

There will be **three short educational courses** running in parallel on 8 July 2007 at the venue hotel. See www.nanosmat.org for more details.

5. Publications

After peer-reviews, papers presented at the conference will be published in a special issue of “**Journal of Nanoscience and Nanotechnology**”

NanoSMat will cover all research and application aspects relating to latest development and discoveries in nanomaterials, nanotechnology, materials processing, characterization, testing, and evaluation. Last years event (www.mec.ua.pt/icscnm), NanoSMat2005, attracted over 200 participants from all over the world. This year, we are expecting around 400 participants to attend.

We believe that this is a good opportunity to showcase your latest processing and characterization equipment or apparatus to the researchers/speakers in this region and from the rest of the world.

We thus **invite you**, with great pleasure, to participate in this exciting event in Algarve, Portugal.

Various sponsorship packages have been designed to suit your needs for maximum impact at this event. To sign up for the conference exhibition or for more information, please contact us (details below).

Looking forward to your active participation.

Yours truly,

Dr Nasar Ali BSc MSc PhD FION FSNN
Chairman, NanoSMat 2005, 2007
President, Society of Nanoscience and Nanotechnology
